12 **SCHEDULING ORDER**

13 Re: Dkt. No. 75
14

15 Having considered the parties' stipulation (Dkt. No. 75), the Court GRANTS the request to
16 set a briefing schedule for Defendant's Motion to Sever and Plaintiff's Rule 60 motion. The Court
17 plans to rule on these motions on the papers or at the hearing. The Court DENIES the parties'
18 request to continue the pretrial and trial dates. The parties must be prepared to proceed to trial on
19 the scheduled date if the cases have not settled before then, and all current trial and pretrial
20 deadlines remain in effect. The briefing schedule for the motions will be:
21
